

Country Roving Rug

Bringing Quality Yarn from Ewe to You!

A super cushy, garter stitch, wool rug. Country Roving isn't your typical yarn: it's a 5 ply, 100% pure unspun wool. When knitting, use a "gentle hand" and don't tug the yarn. Once knit, it'll make a durable, super cushy, dirt resistant rug. It feels so good on your tootsies!
