Bringing Quality Yarn from Ewe to You!

Happy New Year! We've been open 2 months now, and I can't believe what a blast this is! I've met so many great new people, and I get to knit at work! Thanks so much for your support.

Classes

There's been a lot of interest in our Beginning Knitting and The Next Steps classes. That's so great – the more knitters, the better! I've added several sessions of Beginning Knitting, and the follow-up class, The Next Steps to the schedule. You don't have to take both classes. Some people prefer to learn the very basics and practice for a while before moving on; others already have the basics down and want to expand their skills. It's totally up to you. Here are the new sessions I've added:

Beginning Knitting – a **one-session** class, you'll learn to knit, cast on, and bind off. \$15.00. For a full description, go to www.double-ewe-yarn.com or give me a call.

- Monday, Jan 22nd 6 – 7:30 pm
- Tuesday, Jan 23rd 10:30 – Noon
- Monday, Jan 29th 6 – 7:30 pm
- Tuesday Jan 30th 10:30 - Noon
- Thursday, Feb 15th 10:30 - Noon

Knitting: The Next Steps – a **two-session** class. For a complete description, go to www.double-ewe-yarn.com or give me a call. \$20.00

- Mondays, Feb 5th & 12th 6 – 8:00 pm
- Tuesdays, Feb 6th & 13th 10:30 – 12:30

There are still some open spots in many of the other classes – call and sign up if you're interested! 763-780-2465 Class lists are available at the shop, or you can download the schedule from our website, www.double-ewe-yarn.com - go to the Calendar Page.

New Stuff!

- **Aran Marl** from Crystal Palace – 100% wool, really pretty marled colors (two colors plied together – think barber pole).
- **Crystal Palace Yarns Star Needles** – another great bamboo needle from Crystal Palace in 7" Double Points with a very reasonable price.
- **Harrisville New England Shetland** – a fine 2-ply fingering weight wool perfect for Fair Isle projects. Gorgeous dyed-in-the wool heathered and solid colors.
- **Denise Interchangeable Knitting Needles**
- **Step** – Sock yarn by Austermann. Besides having beautiful colorways, Step contains jojoba & aloe vera extract, making it an incredibly soft, cashmere-like yarn.
- I'm now carrying several **books**. One of them is **One Skein Wonders** – oh my gosh...I can't believe how many sticky notes I have in this book already, marking projects I want to make! I need to get knitting!

Coming Soon!

- ✧ **Panda Cotton** – A new sock yarn from Crystal Palace coming in February. 29 great colors. 55% bamboo, 24% cotton, 21% nylon elastic. I can't wait!
- ✧ **Malabrigo Merino Chunky** – Malabrigo's new 3-ply chunky 100% merino
- ✧ **Expanded colors** in several lines, including Bunny Hop, Malabrigo Merino Worsted, and Lorna's Laces DK Swirl.
